FUNDING OPPORTUNITIES HOW TO PARTICIPATE EXPERTS SUPPORT

Welcome to the Research and Innovation Participant Portal

About the Participant Portal:

The Participant Portal is your entry point for the electronic administration of EU-funded research and innovation projects. It hosts services for managing proposals and projects throughout their lifecycle.

The Participant Portal supports activities funded mainly by the following EU programmes:

- 7th Framework Programme for Research and Technological Development (FP7)
- Competitiveness and Innovation Framework Programme (CIP)

Using the Participant Portal:

As a guest user, browse:

- search for funding opportunities
 - download guidance and information
 - search for the participants of an organisation
 - contact the FP7 support services
- FAQ for guidance on the Participant Portal

As a registered user, browse services for proposal submission and project management

Nature's gift to automakers: self-cleaning plastics
Self-cleaning plastic surfaces developed by EU-funded scientists could save you time when washing your car, cut costs by reducing the need for cleaning products and even help to reduce your impact on the environment.
